

The following questionnaire identifies several of the most significant issues discussed in the plan. Read through each statement, and simply answer whether you: Disagree, have No Comment, or Agree in the space provided below.

1. Camden County needs to provide more recreational facilities and programs to its citizens.

Disagree	No Opinion	Agree
8	19	34

2. Camden County should increase its efforts to improve surface water quality (ex. rivers, streams, and branches).

Disagree	No Opinion	Agree
7	15	39

3. Camden County is taking the proper steps to maintain the rural nature of the community in response to development pressures from the Tidewater Virginia area.

Disagree	No Opinion	Agree
10	26	24

4. In light of the recent increased restrictions regarding stormwater runoff control currently being implemented in a majority of counties across the state, Camden County should begin implementing a more pro active stormwater control program.

Disagree	No Opinion	Agree
9	16	34

5. Camden County should increase its economic development efforts, and provide more incentives in an effort to attract more large industries to the county.

Disagree	No Opinion	Agree
16	9	36

6. Camden County should work with developers and state grant funding agencies to provide more affordable housing throughout the county.

Disagree	No Opinion	Agree
16	18	27

7. Camden County is currently taking adequate steps to protect the County's valuable natural resources such as: The Great Dismal Swamp, The Pasquotank River, Forest Lands, Fishing Grounds, Shellfishing Beds, and Wetland areas.

Disagree	No Opinion	Agree
4	25	31

8. Camden County should review its land use controls to ensure that increasing residential development will not have an adverse impact on agricultural land and farming operations within the county.

Disagree	No Opinion	Agree
8	9	44

9. Camden County educational facilities are adequate to handle the population increase that will be experienced over the next ten years.

Disagree	No Opinion	Agree
34	15	6

10. Which Village Area do you foresee experiencing the most significant development during the planning period?

South Mills	Shiloh	Camden
26	7	14

11. In light of increased commercial development along the NC 158 corridor around Camden, and the NC 343 corridor around South Mills, Camden County should work to minimize continuous dense strip development in these areas.

Disagree	No Opinion	Agree
12	17	27
